,čím porušil autorské práva neoprávneným zásahom do zákonom chránených práv k zvukovým záznamom podľa § 24 zákona č. 618/2003 Z.z. o autorskom práve a právach súvisiacich s autorským právom v znení neskorších predpisov a porušil majetkové práva kolektívnych správcov autorských práv spoločnosti XXXXX, a spôsobil tak škodu vo výške 2.120,-eur.

Odôvodnenie:

Uznesením vyšetrovateľa Odboru kriminálnej polície OR PZ Žilina zo dňa 05.03.2014 a zo dňa 17.06.2014 bolo pod ČVS: ORP-159/3-VYS-ZA-2014 začaté trestné stíhanie vo veci prečinu prečin porušenie autorského práva podľa § 283 ods. 1, ods. 2 písm. d) Trestného zákona, pričom po odstúpení veci z dôvodu zmeny miestnej príslušnosti vyšetrovateľom Odboru kriminálnej polície v Prievidzi bolo uznesením ORP-375/2-VYS-PD-2015 zo dňa 20.10.2016 vznesené obvinenie XXXXX z vyššie uvedeného prečinu a to sa skutkovom základe ako je uvedené vo výrokovej časti tohto uznesenia.

Dňa 24.01.2017 mi vyšetrovateľ Odboru kriminálnej polície v Prievidzi predložil spisový materiál spolu s návrhom na schválenie zmiernu.

Prečinu porušovania autorského práva podľa § 283 ods. 1, ods. 2 písm. d) Tr. zákona sa dopustí ten, kto neoprávnenne zasiahne do zákonom chránených práv k dielu, umeleckému výkonu, zvukovému záznamu alebo zvukovo-obrazovému

záznamu, rozhlasovému vysielaniu alebo televíznemu vysielaniu alebo databáze, ak spácha čin prostredníctvom počítačového systému potrestá sa odňatím slobody na šesť mesiacov až tri roky.

Obvinený XXXXX ml. sa k spáchaniu svojej trestnej činnosti priznal v celom rozsahu a pred orgánom činným v trestnom konaní súhlasil, aby bolo trestné stíhanie vedené proti jeho osobe ukončené formou zmieru podľa § 220 Tr. poriadku. Rovnako poškodená strana, a to XXXXX udelila prostredníctvom svojho zástupcu súhlas na schválenie zmieru. V rámci vykonanej domovej prehliadky bol u obvineného zaistený počítač, v ktorom boli znaleckým skúmaním zistené autorským právom chránené zvukové záznamy, pričom na podklade súdom vydaných príkazov sa podarilo zistiť, že osobou, ktorá umožňovala prostredníctvom P2P siete tieto súbory bez súhlasu oprávnených osôb sťahovať ktorémukolvek užívateľovi siete bol práve obvinený.

Z vyšetrovacieho spisu vyplýva, že obvinený dňa 12.01.2017 uzatvoril s XXXXX dohodu o náhrade škody, pričom bankovým prevodom dňa 09.01.2017 škodu vo výške 2.120,-eur uhradil.

Dňa 18.01.2017 obvinený zložil na depozitný účet Krajskej prokuratúry Trenčín - Okresnej prokuratúry v Prievidzi č.: SK828180000007000235629 peňažnú sumu určenú na všeobecnej prospešné účely vo výške 300,-eur. Za adresáta 50% peňažnej sumy určenej na všeobecne prospešné účely zvolil XXXXX, č. účtu IBAN: XXXXX vedený v Slovenskej sporiteľni, a. s., pričom ostatných 50% poukázal štátu na pomoc obetiam trestnej činnosti.

Zo správ charakterizujúcich osobu obvineného vyplýva, že nebol doposiaľ súdne trestaný, ani postihnutý za priestupok, správy z miesta trvalého bydliska k osobe obvineného sú neutrálne. Obvinený XXXXX ml. pracuje toho času ako XXXXX, v správe prevádzky Prievidza s mesačným príjmom vo výške XXXXX eur. Vzhľadom na vyššie uvedené možno považovať obvineným spáchanú trestnú činnosť len za chvíľkové zlyhanie, mladícku nerozvážnosť, vybočenie z obvykle vedeného spôsobu života, ktorý inak obvinený vedie.

Podľa § 220 ods. 1 Tr. poriadku v konaní o prečine, na ktorý zákon ustanovuje trest odňatia slobody, ktorého horná hranica neprevyšuje päť rokov, môže prokurátor so súhlasom obvineného a poškodeného rozhodnúť o schválení zmieru a zastaviť trestné stíhanie, ak obvinený

a) vyhlási, že spáchal skutok, za ktorý je stíhaný, a nie sú odôvodnené pochybnosti o tom, že jeho vyhlásenie bolo vykonané slobodne, vážne a určito,

b) nahradil škodu, pokiaľ bola činom spôsobená, alebo urobil iné opatrenia na náhradu škody, alebo inak odstránil ujmu vzniknutú trestným činom, a

c) zloží na účet súdu a v prípravnom konaní na účet prokuratúry peňažnú sumu určenú konkrétnemu adresátovi na všeobecne prospešné účely, a táto peňažná suma nie je zrejme neprimeraná závažnosti spáchaného trestného činu a vzhľadom na povahu a závažnosť spáchaného činu, na mieru akou bol trestným činom dotknutý verejný záujem, na osobu obvineného a na jeho osobné a majetkové pomery považuje takýto spôsob rozhodnutia za dostačujúci.

Prečin porušenia autorského práva podľa § 283 ods. 1, ods. 2 písm. d) Tr. zákona je prečinom, za ktorý Trestný zákon ustanovuje trest odňatia slobody, ktorého

horná hranica neprevyšuje 5 rokov. Z vykonaného dokazovania je zrejmé, že obvinený vyhlásil, že spáchal stíhaný skutok, jeho spáchanie oľutoval, nahradil trestným činom spôsobenú škodu, pričom vzhľadom na jeho nízky vek, príjem zo zamestnania možno považovať rozhodnutie o zmieri za dostatočné.

Právoplatnosťou uznesenia o tom, že bol schválený zmier a došlo k zastaveniu trestného stíhania, nastávajú účinky zastavenia trestného stíhania podľa § 9 ods. 1 písm. e) Tr. poriadku.

Poučenie:

Proti tomuto uzneseniu nie je prípustná sťažnosť.

JUDr. Michal Bíro
prokurátor
